WAWASAN OFFICE

MOTORIZED PROJECTOR LIFT

Features :

Projector Lift not only conceals your projector above the ceiling and sets it exactly where you need it for a presentation; it also brings it down to within easy reach for service. This projector electric lift offers three positions: store, show, and service.
The projector motorized Lift stabilizes projector both laterally and front-to-back with 2 sets of scissors.
Electric Projector ceiling lifts are available in variable extension length.
